

HPEDSB Addendum #1
RFQ-VOR 2526-105 Dust Collector Replacement
at North Hastings High School

Closing Date: Tuesday, May 5, 2026
at 11:00:00 AM local time

Addendum Posting Date: Monday, April 27, 2026

Please review the following addendum. This document shall be considered a component of RFQ-VOR 2526-105 Dust Collector Replacement at North Hastings High School. All other terms and conditions remain the same.

Question:

At the mandatory site meeting it was mentioned there was no cash allowance on this project, are we to carry the allowance as noted in the architectural specs?

Answer:

As noted in the Specifications, a Cash Allowance in the amount of \$60,000.00 has been added to the Bidding System. This allowance is allotted for the following:

- Hazardous Materials Abatement
- Concrete Inspection
- Existing Masonry & Mortar Inspection
- Compaction Testing and Inspection
- Steel Inspection
- Record Drawings (Architectural, Mechanical and Electrical)
- Building Automation System (Controls)

<p>Cash allowance for:</p> <ul style="list-style-type: none"> ● Hazardous Materials Abatement ● Concrete Inspection ● Existing Masonry & Mortar Inspection ● Compaction Testing and Inspection ● Steel Inspection ● Record Drawings (Architectural, Mechanical and Electrical) ● Building Automation System (Controls) 	<p>\$60,000.00</p> <p>(automatically calculated)</p>
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------

The Cash Allowance amount will be in addition to the Stipulated Price and will be shown separately on the Bidding System. The Cash Allowance will be automatically calculated and added to the Stipulated Price by the Bidding System.
